1. Teams will consist of three (3) to five (5) members.
2. Each team member must be registered for the race. This form only serves as a team roster.
3. Teams must be registered by the deadlines for each race. Deadlines for each race are listed below. In order to be eligible for the Team Challenge Triple Crown Award, the same team members must run each race.
4. Each team must assign a team captain.
5. Each team challenge member will receive a finish score based on their order of finish among all team challenge participants in the race. For example 1st place will be awarded 1 point, 2nd place will be awarded 2 points, and so on for all team challenge finishers. A team's final score will be the combined total of the three (3) lowest finish scores of team members. The team with the lowest score will be crowned Team Challenge Champions for that race.
6. At least 3 team members must finish the race to be eligible for team awards.
7. The top three (3) teams will receive awards for each race.
8. Participants can only compete for one team.
